

THE TITAN PLEDGE

1. I believe I can achieve anything to which I am committed.
2. I believe all people are created equal. Success has no boundaries.
3. I understand that I'm in control of my life and I am a product of my choices, not my circumstances.
4. I understand that dreams don't work unless I do. Hard work is essential to my success.
5. I believe success follows when I become comfortable with being uncomfortable.
6. I understand my education is my responsibility and essential to improving my station in life.
7. I believe the harder I work, the luckier I get.
8. I believe that no matter how slow I progress, I'm still way ahead of everyone who isn't trying.
9. I believe the quickest way to the finish line is to start now.
10. I believe if I want to live a life I've never lived, I need to do things I've never done.
